

Illuminate Home Connection Portal - Navigation

The screenshot shows the 'Student View' of the Illuminate Home Connection Portal. At the top, there are navigation tabs for 'Student View' and 'Class View', with 'Student View' selected. A language dropdown menu is set to 'English' and a 'Sign Out' button is visible. The main content area is divided into several sections: 'Academic Report' with a bar chart showing overall achievement; 'GradeBook Summary' with a table of current grades; 'Schedule' with a table of upcoming classes; and 'Assessments' with a table of recent test results. A sidebar on the right contains a 'Student View' header, a 'What would you like to see?' section with links to 'Main Dashboard', 'Assignments', 'Class', and 'Assessments'; a 'Recent Assessments' table; and an 'Activate Instruction' logo.

1 Choose your language (English or Spanish)

2 You can select "Student View" or "Class View"

Student view displays data across all classes. Class view allows you to explore all data for one class.

3 The Academic Report summarizes scholar grades. You can view grades from previous quarters by using the dropdown menu

4 You can choose to view assignments, assessments, or class grades separately

5 Your scholar's most recent assessments will be listed on the Main Dashboard. Click any assessment title to view detailed performance data.

6 The Gradebook Summary report displays scholar grades for both the current and previous grading period.

8 You can view a list of assessments with summary performance data

7 Your scholar's current class schedule will be listed

Note: Due to a technical issue, if your scholar has Ms. Allen listed for LLABHIST5, his/her Social Studies grades will not be available through the Home Connection portal. We will continue to send regular, printed progress reports.

It will also show the number of assignments for each class and whether a scholar is missing any work.
