

Valor Collegiate Academies High School Athletics

As we move into a new school year in the Fall of 2018, our high school scholars will have the opportunity to participate in several TSSAA sports! We wanted to take a moment to share with you this exciting opportunity.

Our High School scholars will have the opportunity to participate in several TSSAA sports through Valor and through a cooperative agreement we have with Glencliff High School. The TSSAA (Tennessee Secondary School Athletics Association) is the governing body for all high school athletics. This structure provides our scholars an inclusive opportunity to participate in a diverse choosing of sports. With this “Hybrid” athletic program, our scholars will have an opportunity to participate in some “Valor” sponsored sports and some “Glencliff” (Co-Op) sponsored sports. Both the Valor and Glencliff Administration are committed to ensuring all scholars and families have an enriching experience in all Co-Op sports. Scholar-athletes who participate in a Co-Op sport, will still be registered with the TSSAA as a Valor athlete and will join Glencliff teams for all practices and games. Be on the lookout for upcoming dates on our athletics’ informational sessions; families will then be presented with more detailed information. The following is a breakdown of which sports will be offered at the High School, all co-op sports are noted.
